

Dear Sir/Madam,

This is to bring to your notice that given the threat of the global pandemic, Oorja Ladies Society is taking "Lighthouse" online this year. As you might be aware that "Lighthouse" is our initiative for children, young adults and the parents and teacher's community of the city to empower and enrich them with knowledge, arts, literature, theatre, life skills etc.

In the previous years we have successfully brought editions of Chhattisgarh's first Junior Literary Festival, Raipur's first Children's Theatre, and first International Film Festival of C.G. under our "Lighthouse" banner, none of which would have been possible without the support and encouragement we receive from the local Schools and prestigious Institutions like yours.

Recently we also put together Netiquette - a webinar on Cyber Security by Mr. Rakshit Tandon which was a huge success. The webinar witnessed over 850 participants and this enthusiasm motivated us to bring forth more of such unique and beneficial experiences. We wish to express our sincere gratitude for the support extended by your esteemed institution for all our past endeavors.

To acknowledge how grateful we are, we would like to celebrate August as our 'Month of GRATITUDE' by bringing some amazing FREE webinars for children and parents whose immense love and support made Lighthouse a grand success in the past!!

Attached here is a schedule for the forthcoming free webinars for your perusal. We request you to please forward it to the parents. We also understand that it is not possible for you to forward all the information and various creative of our series hence we request the interested kids and parents to follow our Social Media handles for all event related queries. We will keep updating all the information on our FB Page and Insta handle. Even the links will be shared on the Oorja social media handles a few hours prior to the event.

The event 'Where is Tiger' is an online mystery mission that the participants will solve using their mobile phones. Since the entries for the same are limited, a free prior registration will have to be done. It will be on first come first serve basis. The details for the same will be shared on our Social Media.

Our vision is to continue to offer a learning platform for our children, youth and parents who have been such an integral part of our journey. We hope to get your complete support in this noble Endeavour. All expense of the sessions will be borne by Oorja.

In Anticipation,

Yours Sincerely

For Oorja
