## **Revision of Transportation Charges** **W.E.F November-2021**

Dear Parents,

Please Find the revised transportation charges of the school which will be effective from November-2021.

Slab	Existing Charges(Rs)	New Revised Charges(Rs)
1	1800	2150
2	2000	2350
3	2200	2550

The revision in transportation charges has been necessitated due to an increase in the price of fuel over the last 18 months.

Warm Regards

Principal
