WELLESLEY
W

Join representatives from Harvard, Pomona, Stanford, and Wellesley to hear how we evaluate applications. What role do the various pieces of the application play? What do we mean when we talk about considering the match between the “whole person” and our institution? We will also share information about financial aid and provide some general tips for your college search.

Please share this invitation with any students and colleagues who may be interested:

- [Session #1 | 27 September 2021 @ 6:00am \(U.S. Pacific time\)](#)
- [Session #2 | 19 October 2021 @ 6:00am \(U.S. Pacific time\)](#)

*To maximize our time together, please submit your questions when you RSVP to the event.

We welcome interested high school students, parents, high school counsellors, and friends. Please register as early as possible. Registration closes 1 hour prior to each event.

Note that both webinars will cover the same content. If you are unable to join us, we encourage you to visit our admission websites to learn more about our institutions. These events will be conducted live, and no recording will be available afterward.

We look forward to seeing you!
