

IISER Bhopal Summer Outreach Camp 2022

Aditya Jha

Ishan Choudhary

Raghav Agrawal

Vanshika Digania

Vineet Prajapati

Every year IISER Bhopal invites applications from students interested in attending a short summer camp from May 16 - 20, 2022 at their campus in Bhauri, Bhopal. Students who are studying in classes IX, X, XI apply for same in thousands, but only top hundred on the basis of their academic excellence and STEM achievements are shortlisted for this coveted programme. We are proud to announce that five of our children have secured their position in the list. The chosen ones are 1. Aditya Jha and Ishan Choudhry class IX A and IX-B respectively. 2. Vanshika Digania and Raghav Agrawal of X-B and Vineet Narayan Prajapati XI-Science. The camp aims to enable the participants to understand the central role of science in society. This camp will introduce participants to fascinating topics in natural and engineering sciences through lectures and hands-on laboratory exercises.
